

The NWMSC debate team prepares for the Fifth Annual Nodaway Valley College Speech and Debate Tournament. Pictured above are Diane Whitney, Jack Sherbo, Jeannie Morris, Priscilla Porter and George Fountain.

Man of the Month—

Blue Key Picks Dale Hunziger

Blue Key honored Dale Hunziger for his successful efforts as Homecoming co-chairman this fall by naming him November Man of the Month.

Mr. John Harr, Homecoming committee chairman, commented on Dale's services to the school.

and to the Homecoming committee have been outstanding in the past years and were climaxed by his co-chairmanship this year."

Heads Ag Club
Hunziger is president of the Ag Club with a major in business and a minor in agriculture. He served as Homecoming business manager last year before assuming the over-all co-chairmanship reins with Lois Woollsencroft.

Hunziger, a senior from Oregon, Missouri, is married to the former Elizabeth Andler of Forest City, Missouri and lives in the college trailer court.

Job Interviews To Be Conducted

Seniors looking for jobs will be given an opportunity to investigate several vocational areas during the first part of December.

On Tuesday, Dec. 4, representatives of the Missouri State Employment Service will visit NWMSC in connection with their Campus Placement Service Program. Representatives from the Arthur Anderson Co. of Kansas City will also be present on that day, to talk with students interested in public accounting. On Thursday, Dec. 6, the State Farm Insurance Company will have a representative on campus.

NOTICE

December 1 is the deadline for submitting Defense Student Loan applications for second semester. Contact Bill Needles prior to this final deadline.

Representatives to Convene For Speech-Debate Tourney

The Fifth Annual Nodaway Valley College Speech and Debate Tournament will be held at Northwest Missouri State on December 14 and 15. According to Mr. George Hinshaw, debate coach, the college has invited some 50 colleges and universities to participate in this event.

The debates will be held all day the 14 and in the morning on the 15. The other events (extemporaneous speaking and extemporaneous reading) will be held at the same time. Debate will consist of four rounds in both Junior and Senior divisions. There will be two rounds in the other two events. The debate question will be, "The non-Communist nation of the world should establish an economic community." Interpretative reading will consist of either poetry or prose. The topics for extemporaneous reading will be from the area of current events from October of 1962. Certificates will be awarded for Superior and Excellent ratings.

There will be a luncheon at which President Jones will speak, on the afternoon of the fifteenth at which the results

of the tournament will be made known.

This is the fifth year of the tournament. Last year over fifty debaters from eight colleges and universities participated. Northwest Missouri State has been in several debates this year, including Emporia State College and Missouri University; they will attend other tourneys at Kirksville and Wayne in December.

A group of novice (first year) debaters going to Tarkio for a practice debate in the near future.

Those who will participate in the debate tournament from Northwest Missouri State are:

Jeannie Morris (student tournament chairman), Priscilla Porter, George Fountain, Bill Hardesty, Ruth Ann Elliott, Diane Whitney, Kay Lawrence, Austin Mueller, John W. Sherbo, Bob Johnson, Wayne Stiles, David Martin, Sharon Freeman, Shirley Huber, Joyce Campbell.

Deadline for entrance in the tournament is December 10.

FOR SALE

The 1962-63 Tower annuals will go on sale Dec. 4-5 in the Den from 8:00 until 4:00. Students may buy the yearbooks during these two days. The price is as follows: If a student attended summer school and will attend both semesters this year, free; if student attends both semesters this year, sixty cents; if student attends only one semester, \$1.80.

NORTHWEST MISSOURI STATE COLLEGE

Vol. 49—No. 9

Maryville, Missouri

November 21, 1962

560 (On Your Dial) On the Air

There's music in the air, and it's coming from the campus radio station KDLX (560 on your dial), featuring the music to study by. Broadcasting is from 7 p.m. to 12 midnight from Sunday through Thursday. Popular music is played from 7 till 9, and mellow popular and light classical is played from 9 till 12.

KDLX began its operations in 1960 and at this time first

broadcast through the men's dorms by means of a ground cable. In the spring of 1962, broadcasting was extended to the girls' dorms by a telephone line which the station leases.

Located on the second floor of Colbert Hall are the main transmitter and the power supply. Operations are suspended at present for minor repairs so that the station can make arrangements to provide the

maximum in listening pleasure for its audience, according to Gary Mathews, station manager. Changes include the building of a new radio console by Dennis Mathis and the remodeling of the radio room.

When broadcasting begins again November 25th, KDLX will be available in all dorms on campus. Campus sports will be included in the offerings; there will be a sports show every night. Campus news will be featured every hour. Anyone who wishes to submit news should do so two days before the desired broadcasting day. News may be sent to the KDLX mailbox 213 Hawkins Hall.

Operated entirely by college students, KDLX has the following staff members: Gary Mathews, manager; Pat Murphy, assistant manager; Dennis Mathis, head engineer; and Richard T. Smith, assistant engineer; and additional disc jockeys. A faculty sponsor is to be named soon.

Each D J has his own show which he programs himself and which is heard one hour at night on two nights a week.

Any boy interested in joining the staff, and any girl interested in script writing are urged to contact Gary Mathews, Richard T. Smith, or Dennis Mathis.

For pleasant listening as well as current campus news, remember the campus radio station, KDLX (560 on YOUR radio dial). —Linda K. Jones

New Method for Proficiency Exam

A new method of administering English proficiency examinations is now in effect, having met the approval of the faculty council on Tuesday, Nov. 13.

According to Dr. Robert Foster, dean of administration, all students who have earned 45 hours of college credit will be responsible to report for the exams at the time and place designated. Individual students who are eligible to take the exam will not be contacted by the registrar's office, as they have been in the past.

The exams will be held on Tuesday, Nov. 27, at 10 a.m., in the auditorium of the Administration Building. Students are requested to be in their seats before 10 o'clock if possible.

Scoop

The next issue of The Missourian will come out December 5. Material for that issue should be in The Missourian office by 3:30 p.m. Nov. 29.

Clubs, sororities, fraternities are reminded that it is their responsibility to bring news of their activities to The Missourian for publication.

The Missourian will continue to accept material for its literary issue. As plans stand now, this issue will probably appear Dec. 19.

From The Editor's Desk

For all of you who don't know by now — football season has drawn to a close and Lamkin Gymnasium will now be the scene for the next sport of the year.

True, very true — our football record left a lot to be desired. But, would you feel like doing your best if no one seemed to care? And a hurried glance at the spectators on past Saturdays illustrated a lack of attendance and a lack of enthusiasm.

Loyal fans do not desert a team with a losing streak. So, maybe you're not a loyal fan.

Sometime ago, a fellow student suggested the idea to me that if there was a reserved section for all NWMSC students there would be more cheering — because no one feels like following the cheerleaders if you're setting in the middle of a bunch of strangers. To me this doesn't sound too illogical. And maybe it just might work. Who knows? At least it's something to think about.

All this appealing to the "old school spirit" isn't getting us anywhere. Maybe it should. But — let's be honest about the situation. And this reserved section idea is something which might do the trick. At least you wouldn't have to hunt for a place to set and then wind up in the worst seat in the house.

—LJS

Letter to the Editor

Dear Sir:

For some time there have been two lithographs hanging in the foyer of the library. This morning as I passed, I was shocked to notice that some joker had drawn a mustache on one of the figures depicted.

Was this person aware that a lithograph is not a reproduction, but an original print of which there are only a limited number? It is difficult to believe that a college student would do such a thing, yet the pictures were hanging in a college building.

What can the college say to the artist when it returns, and perhaps has to pay for these lithographs? What could it say that would change her opinion of this college on the basis of that one bit of discourtesy, which may well be all she will ever know, or care to know of it?

What can anyone say to a person so immature and insensitive as to engage in this kind of amusement? Only that he should not be here at all. (Name withheld)

The Stroller

T'was a not-so-lovely afternoon when the Stroller ambled across the lovely campus in a state of stupor, thinking of things that would improve his habitat. Since her habitat is this school and its surroundings, he concentrated upon its problems.

The biggest problem is the problem of school spirit. The sage wondered why school spirit was at a low ebb. The omniscient one then made a mental comparison of this school to a school with good school spirit. The sagacious one concluded that before we

can have good school spirit here we must have other things first.

Among these are: winning teams, a student body that takes an interest in the school, observance of customs and traditions of the school, a mature attitude by both student and administration, cooperation between the student and community, and recreational opportunity.

Do we have these things now or can we have them in the future? In this case the Stroller knows not.

Inquiring Photographer

This week the inquiring photographer asked various students the following question: Who do you think are the three greatest living Americans?

Bob "Books Baker" Elmhurst, Illinois, freshman, social science major. "We don't have any great men, but there are quite a few dead ones."

Johnnie Imes, Maryville, Missouri, "I think Eisenhower did a good job as commander-in-chief of the Allied Forces. Henry Cabot Lodge is great because of his work with the United Nations. Then there is John Q. Public who is notorious for shirking his civic responsibilities."

Ron Fitch, Kansas City, sophomore, social science major, "I think President Kennedy is great because he succeeded at a young age. Also Barry Goldwater is great because he stands for conservatism even when it isn't good in the public eye. Carl Sandburg has been proven a great man because of his age and ability."

Judy Bolon, Davis City, Iowa sophomore, physical education major. "I believe three great men are John Glenn who was the first American to go into outer space, John Kennedy because of the way he handled the Cuban situation and Paul Newman because he's good-looking."

Larry Green, Oelwein, Iowa, senior, math major. "I believe President Kennedy has done more than any other president, Warner Von Braun has done much in the space race and John Steinbeck, who recently won the Pulitzer Prize, is important to literature."

Marilyn Abel, Santa Barbara, California, freshman, elementary education. "In my opinion three great Americans are: President Kennedy because of the tactful way he handled the Cuban situation, Conrad Hilton because of his organizational genius and Red Skelton for his bright outlook on life during the darkest moments."

Parking Tickets

Students having one or more Parking Tickets are:

Judy Anderson, 1; Gary Anderson, 3; John Anderson, 1; Arlen Armstrong, 1; Richard Barnes, 1.

Bearcats Go For "Lonely Bull"

If one was to take a seat in the den and listen to some "rhythmical" songs played from the stereo jukebox one might be likely to hear such favorites as these. "Lonely Bull," "Return To Sender," "All Alone Am I," "If I Had A Hammer," "Do You Love Me," "Close to Cathy," "Leach," "Whiskey In The Jar," "Sherry," and "Sheila" are among the current top songs being played.

Ranking as the top five selling records in the nation are first place, "Big Girls Don't Cry," second place, "Return To Sender," third place "All Alone Am I," fourth place, "He's A Rebel," and fifth place, "Gina."

Social Science Club

The Social Science Club will meet Monday, November 26 at 7 p.m. in the Union Lounge. James Mitchell and Gary Smith, high school instructors will discuss controversial issues which may arise in the classroom and how an instructor may treat them.

Cardinal Key Taps Six New Members

The Cardinal Key initiated five new members at the November 5 meeting held at the home of sponsor Mrs. Sheila Moss.

The new members were: Mary Ellen Disburg, Cary Holst, Janice Leavell, Anita Lee and Jeanne Swope. Kathi Kinnick was unable to attend the formal initiation.

These girls were formally tapped October 9 at the Four Freshmen assembly.

Faculty member Carolyn Peterson, who is librarian at Horace Mann, was also initiated.

SYMPATHY

Mrs. Clara Barbara Chick passed away at the home of her daughter, Mrs. A. J. Dinsdale, on November 3, 1962.

Many students and alumni will remember Mrs. Chick as she housed college students for thirty-eight years. She also boarded the students.

Relatives and friends of Mrs. Chick have made donations to the Student Loan Fund in her memory. Anyone wishing to make donations may do so by contacting Bill Needles.

Management Class Polls Students

The Personnel Management class in the Business Department recently surveyed 100 students according to a random sample. The purpose of this survey was to determine objectively the students' attitudes concerning various characteristics of NWMS college.

Students interviewed represented each grade and various fields of studies.

The interview indicated that even though our school is less expensive than other schools, it is comparable to them in educational value. For instance, students who were questioned in the survey believed that the library is adequate for a majority of the students' needs.

Furthermore, almost all students agreed that we have a very attractive campus, and that the facilities available on campus are worth the money paid for them.

Students interviewed felt that the college personnel, such as teachers, deans, etc., cooperate with the students and aid them in every way they can.

It is also believed that most teachers on campus use a fair grading system and evaluation of standards in their classes.

A majority of the students expressed the opinion that student employment is easy to attain and that the work is not objectional.

The survey indicated that there are many extra-curricular activities offered to the students. The students questioned believed that fraternities, sororities and other organizations are assets to campus life, but that many students fail to participate in these activities.

Students polled felt that there are not enough social activities on campus during the week-ends. Moreover, a majority of those interviewed believed that the town does not have sufficient recreation facilities as compared with other small college towns.

The sample brought out the opinion that the school spirit in athletic programs is lacking and that the athletes do not train themselves adequately.

In concluding, the survey revealed that the boys have more school spirit than the girls, and the underclassmen more than upperclassmen.

Beach Party For DZ Activities

Delta Zeta pledges held a beach-combing party for the DZ actives and their dates, Saturday, Nov. 17, 8-11 at St. Gregory's Church.

The dance was planned by the pledges with the funds being raised by a bakesale. The actives were formally invited by the pledge president Elaine Buerkins.

Phi Mu Hosts TKE

The Phi Mu fraternity hosted a mixer with the Tau Kappa Epsilon fraternity Tuesday night, November 13. Miss Laura Jackson, Phi Mu sponsor, and Miss Clarice Hullman, TKE housemother, chaperoned.

Marcie Latham, mistress of ceremonies led introductions of the sorority and fraternity presidents, pledge trainers, and pledges.

I. A. Students Visit K. C.

Thirty students and two sponsors made an Industrial Arts trip to Kansas City on Monday November 12.

Peter Jackson and Kenneth Thompson accompanied the group.

May We Present--

Born in the Province of Salta in Argentina and a resident of Buenos Aires today, Raquel Saravia came to the United States September 5, 1962.

Raquel Saravia

The recipient of a scholarship for 1 year from the International Institute of Education in New York, Raquel is majoring in English at NWMS and also teaches Spanish at Horace Mann in the fourth and fifth grades.

Raquel plays tennis and golf in her spare time. She misses the opportunity to participate in these sports here, and she also misses the steaks of her homeland.

Raquel especially enjoys the people here on campus. She comments on how friendly and agreeable everyone is.

Readers of the Northwest Missourian

This is YOUR newspaper. The staff and I want you to feel that you and your friends are getting your money's worth. We want you to enjoy the time spent reading the Northwest Missourian, and maybe in the process learn a little and think a little, besides being informed of what's going on around campus.

Therefore, we are asking you to fill out the following questionnaire and place it in the boxes in the Old Den. It is not necessary to sign your name.

Thank you,

Chalk Talk . . . Bob Cobb

Although the final gun has sounded ending the football season, we can't help looking ahead to next year's grid aggregation. Four freshman emerge prominent as Bearcat stalwarts of the future. Potential standouts are Ray Livingston, Ron Stander, Adam Chrostowski, and Larry Nelson. Doubtless there are others, but these four hit the mark as of now.

Record Run

Ray Livingston proved himself among the elite in the MIAA rushing department's especially in the last three games, capping it off with a spectacular 98 yard touchdown gallop against Cape Girardeau.

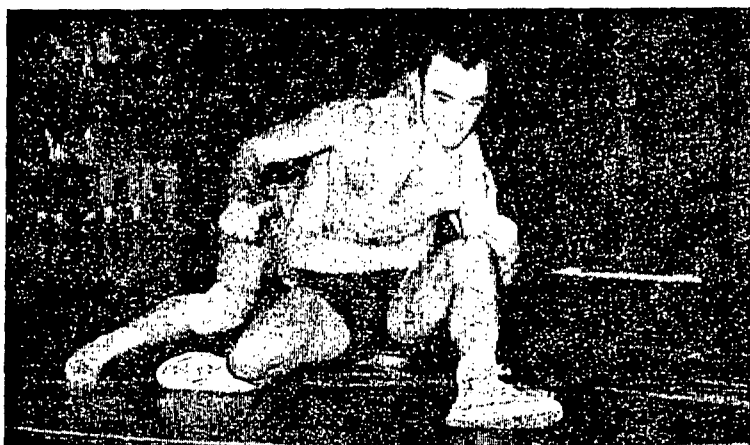

Another outstanding frosh was the young hard-hitting full-back, Ron Stander. Rookie Adam Chrostowski distinguished himself as a rough-tackling line-backer, while Larry Nelson showed on several occasions the promise of becoming one of the conference's finest punters.

While we're passing out accolades, we doff our hat to defensive end, George Redden. Winner of the Outstanding Line-man award at Homecoming, Redden played a hustling go-for-broke defense and still managed to snag six passes on the offensive platoon.

Some students have expressed desire to watch swim team workouts. But as of now, there has been no provisions for said activities and the pool is closed to spectators. If enough interest is shown, the pool may be opened for swim practice.

Wishful Thinking

After glancing through the recent issue of Dell Sports Basketball, we find that two neighboring cage prospects are receiving nation-wide attention. Former St. Joe Central star Dennis Browne, an MU sophomore, is touted as one of the most promising newcomers in the midwest, while another St. Joseph product, Christian Brothers' Jesse Barbosa was named to that magazine's high school All-American squad.

Steve Drake tries to struggle free from Norman La Butti in a intramural Wrestling match.

Sherri Speer leaps high for a spike in girls' intramurals while Alice Smith awaits the ball's return.

PEM Club Garners Volleyball Honors

Pem Club captured first place in the womens' volleyball intramurals defeating the second place winners, the Groundhogs. The final two-game series was played November 12.

It was an exciting play-off as the two teams vied for first place. The first game was played in an overtime with the Pem Club winning by a close margin. The Pem Club vollied on to win the second game series with a score of 10 to 8.

Third place was copped by the Bearcat team and fourth place was won by the Alpha Sigma Alpha team. Sigma Sigma Sigma and Delta Zeta tied for fifth place.

Womens' basketball intramurals will begin after Thanksgiving.

Male Students Compete For High Grade Point

A new incentive to strive for higher grades has recently been given male students. At the close of this semester, a scholastic cup will be award-

ed to the student from the men's dormitories who has the highest grade point average at that time.

Competition for the cup, an innovation introduced by Jim Middleton, counselor trainer, is open to all boys living in the dormitories.

Coach Landwer Rebuilds Around Acksel and Kilmer

Although the opening match for this year's Bearcat wrestling team is not until Dec. 1, Coach Jerry Landwer's grapplers have been working out since the first week in October. Under the direction of Coach Landwer, the 'Cats started their weight training program Oct. 8 and began actual wrestling workouts three weeks later, Oct. 29.

This year's edition of the wrestling squad will feature a number of new names and faces since only two of eight original returning lettermen have reported. Glen Acksel and Larry Kilmer are the returning monogram winners from last year's squad. The other six either dropped out of school or simply did not report, according to Landwer.

Landwer stated that the 34 wrestlers out for the team have thus far shown exceptional spirit and talent. He commented, "We really have an outstanding group of freshmen this year. At present, attitude is quite good on the part of all 34 men. Since we offer no wrestling scholarships, nearly all of our squad members came to Maryville for one reason only . . . to wrestle."

New Mentor

Coach Landwer replaces Dr. H. D. Peterson as head wrestling mentor. Landwer's record at Kenosha, Wisconsin, was outstanding, as his teams composed a 38-1-4 slate. Last year at Kenosha, his squad was undefeated and untied.

The Dec. 1 match will be against the Warrensburg Mules, there. Last year's record was 11-4-1. Two of the defeats were by Big Eight schools, Iowa State and the University of Nebraska.

Patronize The Advertisers

Indians Snare Crown 'Dogs Lead Statistics

The Missouri Intercollegiate Athletic Association Conference crown went to Cape Girardeau, but Kirksville dominated the statistic sheets.

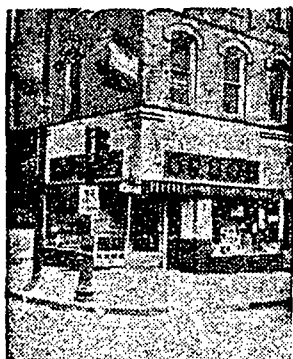

Cape finished with a 5-0 record, while Kirksville ended with a 4-1 mark. Kirksville outscored their opponents 191 to 47 for all games. Cape's margin was 126 to 32.

Kirksville also led the league in offense and defense according to yards. They had 3,690 total yards gained while holding their opponents to 1271 yards.

The main reason that the Bulldogs won rushing title was the fact that five members of their squad averaged over five yards per carry. Richardson led the group with 1036 yards on 127 carries for a 8.16 average. A bright point for the Bearcats was Livingston's second place average of 7.96 on 27 carries and 215 yards.

Men's Housing

All men living in approved housing who wish to reside in the men's dormitories next semester are urged to contact the housing office immediately, so that their names can be placed on the mailing list.

War Is Good

War encourages basic research, creates employment, stimulates the economy of the winning nations, destroys obsolete equipment, builds a country's spirit of unity, makes people rich, strengthens the defenses and eliminates the undesirable component of the population (they can't get draft exemptions).

So what's wrong with war? A few people get killed. Big deal. Nothing new. Look at all the wars we started:

1. The Revolution. 2. The War of 1812. 3. The Mexican War. 4. The Spanish-American War. War is great as long as we are winning, as long as we want something. The people of this country don't even know what war is. We haven't had war fought on this land for 100 years (except for the fam- ous squabble a couple of years ago).

People are a cheap commodity. We build people much faster than we can destroy them. Call you people out there were killed tomorrow, do you think I would bother me? If I were killed tomorrow, would it bother you?

If somehow war becomes unfashioned, don't despair. We will still have the option to burn Negroes and burn synagogues.

WHAT IS WRONG WITH WAR?

The Office Cat

By Linda K. Jones
Looking for a change, boys? Just keep your eyes on your favorite coed's hair. Don't think only her hairdresser knows. There are several clues which will enable you to recognize a change: 1. Eyebrows which don't match hair; 2. A wardrobe which doesn't quite coordinate with the hair color; and 3. Horror stories, different colored roots!

Another method of change is the use of a wig. To detect this, use numbers 1 and 2 above and inspect hair texture and hairline closely.

Just remember one thing while participating in this detective sport. Enjoy your findings to your heart's content. Don't tell Betty Coed how you found out her secret; she may not remain your favorite for long.

By one who's made the change.

Ph. Mu Pledges Fete Gr. Women with Mash

The Phi Mu pledge class hosted a party for the Greek women pledges on November 6. Dean Bladt, Panhellenic sponsor, Dr. Wanda Walker and Miss Louise Lovell, Delta Zeta sponsors, and Mrs. Emma Ruth Harris, Tri Sigma alumna, were also guests.

Name cards and table decorations were centered around the theme, "The Monster Mash". Sally Kampe, president of the Phi Mu pledge class, was mistress of ceremonies.

Introductions were made and get acquainted games were held. Refreshments of punch and cookies were served after the games.

Faculty Briefs

New officers of the Northwest Missouri Teachers Association have been elected. Everett Brown, Maryville, was appointed as secretary and treasurer by the executive board.

Dr. Robert P. Foster, dean of administration, served as chairman of a panel on admissions and records at a meeting of the Missouri Association of Collegiate Registrars and Admissions Officers, held Nov. 5 and 6 in Columbia. He also was appointed to make a study of new types of records for transfer students which the schools are interested in developing.

Alpha Sigma Alpha recently activated: Kathy Bogdas, Geneva Darnell, and Jan Smith.

Four Members Activated by KOP

Kappa Omicron Phi, the professional home economics fraternity on campus has four new members: Karen Shields, Genevieve Staton, Glendena Taylor, and Lois Woollencroft. The girls went active October 17.

Members of the organization presented as gifts to the Home Management House the following articles: candle sticks of Old Russian Cathedral Candle pattern; Lenox china, Olympia pattern, service for twelve; James Ando lead crystal, color, marigold, service for sixteen;

"Androcles"—Nov. 15 and 16

"Androcles And The Lion" opens tomorrow night in the Auditorium, at 8:00. It will also play Friday night. Single tickets will be available at the door.

Androcles, played by Robert Sandmaier, catches his wife Megera, played by Jeanie Thompson, as she collapses with fright upon being confronted by the Lion, played by Leslie Tucker.

and a pure Irish linen banquet cloth and dinner napkins. The gifts were presented October 31 during the open house for home economics majors.

Founder's Day will be observed December 16.

Who Does Want Foreign Service?

Miss Nancy French, recruiting officer for the U.S. Depart-

ment of State's Foreign Service, will be in Kansas City, Missouri to interview men and women from Monday, November 12 through Saturday November 17.

She is seeking career-oriented people for secretaries, communication clerks, and typists to work both overseas in our American Consulates and Embassies and in the "Home office" in Washington, D. C.

Mat Event Highlights Intramural Activities

Intramural wrestling is underway for a three day period which began yesterday, November 13, and will continue through November 15, according to Larry Hagan, student director. Hagan also stated that preparations for the rapidly approaching basketball season are well underway at this time.

Wrestling weigh-ins were held yesterday, with preliminary round matches being held today, Nov. 14, at 4:00 p.m., plus additional matches to be held at 7:00 this evening. The finals will be held Thursday, Nov. 15, starting at 4:00 p.m. All matches will be held in Lamkin Gymnasium.

Concerning the upcoming intramural basketball season, Hagan stated that games will begin after the Thanksgiving vacation. He stressed, however, that all rosters must be turned in by today, Nov. 14. These rosters can be given to fraternity intramural directors, to Hagan, or to Dr. H. D. Peterson's office before the deadline.

Captains Meet

Also, there will be a special meeting for all team captains, Thursday, Nov. 15, in the gymnasium classroom. The meeting is slated for 7:00 p.m. All team captains are asked to attend if their squads wish to participate in the program.

Zombies Post Perfect Mark

This year's intramural football season came to an end during the past week with just one of the original 27 teams remaining undefeated. Leading his squad to an unblemished 8-0 record was Rich Okinaka, the captain of the Zombies. Okinaka's Zombies played under the Phi Sig banner.

Two other teams completed season's play with only one defeat. The Sins (Sig Tau), captained by Jack Rogers, finished with a 9-1 record. The Bears (Phi Sig) led by Larry Nulph, sported a 7-1 slate.

Tau's Maintain Lead

The final point tabulation gave the Sig Taus a 140 point margin over their nearest rivals in the total points accumulated over the touch football season. The Taus garnered 413 points. They were followed by the Phi Sigs, 273; Independents, 171; Phi Lambs, 134, and TKE, 86.

The scoring basis for the program awards points for group participation, individual participation, team records, forfeitures, and various other game aspects.

Frosh PEM Club Gains Keg Lead

The Freshman Pem Club team is leading the Round Robin Tournament in the girls' bowling intramurals.

Seven teams are entered in the tournament. They are Independents, Sigma Sigma Sigma, Phi Mu, Alpha Sigma Alpha, Delta Zeta, Pem Club, and Freshman Pem Club.

In the first bracket, Mary Brannan bowled 161 for the highest in single game competition. Barbara Thompson claimed the high two-game series for the day with a total of 276.

Myrna Newman gained top honors in the second go-around winning the high game with a score of 158 and capturing the

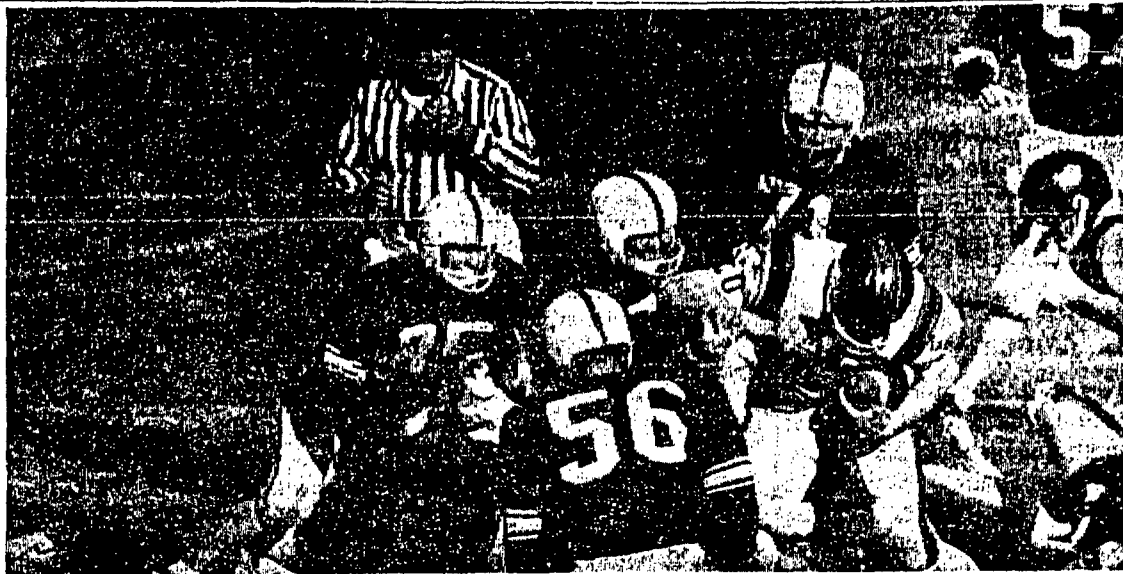

Recent Initiates By Dolphins

The Phi Sigma Dolphins held their second scheduled try-outs Monday, October 22.

New girls accepted into the swim club were: Karen Bixler, Virginia Bright, Paula

Heath, Karen Davidson, Jerri Mercer, Carole Heitt, and Mary Sue Scammon.

Phi Sigma Dolphins meet every Monday at 4:00 p.m. unless there is a notice posted otherwise. Ideas are currently being considered for the annual swim show which will be given in the Spring.

Bearcats Stay Close for Three, Drop Finale 40-14

An electrifying 98-yard run-back of the opening kickoff by Northwest State College freshman halfback Ray Livingston set the stage for three quarters of exciting football Saturday afternoon between the winless Bearcats and the high-flying Cape Girardeau Indians.

The Bearcats apparently were trying to shock their MIAA Conference - leading foes into submission, as Livingston took the game opening boot on the two and raced down the left sideline behind formidable blocking to put Maryville into the lead. Darrell Cotter successfully booted the PAT.

Until a last quarter scoring splurge by the Indians put the game out of reach, 40-14, the locals were within range of an upset, trailing only 20-14.

Thus ended an unsuccessful season for Coach Earl Baker and his charges. Maryville went 0-9, standing 0-5 in Loop play. Cape wrapped up the league championship on a perfect 5-0 conference mark.

The record of no victories this season marks the second time in four years the Bearcats have gone winless. In 1959 under Coach Paul Turner MSC compiled an 0-8 record.

First home basketball game is Dec. 1 against Washburn of Topeka, Kas.

STATISTICS		Cape Mary.

SCORE BY QUARTERS	
Cape Girardeau	7 13 0 20-40
Maryville	7 0 7 0-14

two-game series with 313 total points.

Volley Ball

Finals in the women's intramural volleyball tournament were held Monday. The Pem Club entered the final go-around undefeated to vie for first place against the Hound Dogs who have one loss.

The Bearcats captured the third place position over the Alpha Sigma Alpha team.

Chalk Talk . . . Bob Cobb

With basketball rapidly approaching, we decided to set in on a recent cage practice session. One practice preview can only give us a limited glance, but from a personal view point, the round-ballers appear to have the essential ingredients for a winner. Yet in all fairness to them, we'll just have to wait and see what Dame Fortune has to say.

The Bearcat hardwood squad has been working out daily since October 15 and, according to coach Marion Moss, have made some progress. Moss continued with only a slight hint of optimism, "We still have a long, long way to go before MIAA competition begins and we certainly have many rough edges to polish even before our first game against Washburn."

The Rajah Speaks

Here's a slight change of pace. Roger Maris, sometime slugger of the New York Yankees is renowned for his precise if not somewhat sarcastic answers. After a particularly frustrating day at the plate, a wandering scribe casually asked him what the pitcher had been throwing him. "Baseballs", came the cold retort.

Au revoir

Nine battle-weary veterans returned from the football wars and doffed their combat gear for the final time after Saturday's game with Cape Girardeau.

Those seniors competing in their last Bearcat grid game were backs Earl Boyd and Joe Bell; ends Dick McBride, Roger Voss, and Ed Whitaker; tackles John Massengale and Larry Holland; center Duane Abbott, and guard Larry Timmerman.

We bid them a fond football farewell and wish them success in their future endeavors.

Press Club Names Officers

Election of officers was held in the October meeting of the Press Club. The members elected were president Larry Schulenberg; vice-president, Linda K. Jones; secretary, Betty Johnson; and treasurer, Jack Gray.

Students interested in journalism are invited to join the Press Club. Meetings are held on the second Tuesday of every month at three o'clock.

The Sports Corner

The Northwest Missouri State College sports scene has reached a median. The Bearcat fans may look back at the fall activities or ahead to the winter program now just beginning.

The football team failed to notch a victory as they closed with an 0-9 record. Play tended to improve as the season progressed but so did competition. A big Bearcat problem was getting the breaks. They appeared long on the bad ones and short on the good opportunities.

The B-team completed their schedule with a 2-2 showing. They turned in commendable performances and the material showed signs of a future 'Cat winner.

After a year of absence from the fall program, the newly formed cross country unit returned in top form. With no previous experience in the event, the distance runners scored two victories over Tarkio College.

The swim team has started organized practice sessions. This year's tankmen have shown strong potential and depth in all strokes with the exception of the back stroke. A good swimmer in this slot would be a definite asset. "Anyone interested?" asked Coach Guy Bensusan.

The basketball season appears to be most promising. This season's cage squad will be built around four returning lettermen and several outstanding roundball transfers. They will be set on improving a 7-14 record compiled last year.

Should the adjustment of roundballers out for football come smoothly and the problem of finding a poised floor-general be solved, the Bearcats should be a strong league title contender. The 'Cats face Washburn in the opener on the home hardwoods Dec. 1.
